

All Space Coast United Soccer registration is now being processed online through GotSoccer. You will be able to complete the registration process online, including uniform requirements, and pay fees (registration, uniforms, training fees, spiritwear).

Step 1: Login

Using the **team specific** registration link that was provided by your coach or team manager, log in to your getsoccer account. If your player has an existing getsoccer account, please login using that account. If you already have a getsoccer account (which you do if you played with SCUSC this past year or with any other FYSA affiliated club) and you create a new account, it can create issues with your account.

After the player information, there is a section for completing your uniform sizing selections. You will select the actual uniform pieces you wish to order later in the process. So whether you are ordering a complete uniform kit or just replacing a few pieces (ordering new socks, for example), please select your sizes here.

You also need to select the size you would like for your practice jerseys. Each player is required to purchase 2 practice jerseys. They will be a charcoal gray dri-fit material with red contrast stitching. These shirts are available in Youth and Adult (Men's) sizes and run true to size, so please select your size accordingly.

There is also a line where you need to fill in the spelling of the name that will be printed on the back of your game jerseys (if your team is putting names on the shirts – check with your coach if you are not sure).

Jersey numbers will be assigned by the coach/team manager and provided with the final team uniform order. Make sure that you speak to the coach/team manager about your uniform number preference.

Below is for sizes only, not obligating purchase.

On the last screen of registration, you can choose uniform options to purchase, and these sizes will apply.

What is your Uniform Jersey Size?*

What is your Uniform Short Size?*

What is your Sock Size? Youth (shoe size 4-8) Adult (shoe size 8-12)*

Failure to perform your volunteer duty will result in a \$50 non-volunteer penalty fee which will be added to your child's registration fee the following season.

I Agree to either:

Volunteer for 2 hours for the fall season and 2 hours for the spring season

OR

To a \$50 opt-out fee

Note: - You will be asked to choose from either the **opt-out** or a **volunteer position** on the payment option page of this registration.*

Donations are the **lifeblood** of our organization.

Please consider making a donation to the club to fund our coaching education and equipment maintenance programs.

SCUSC is a 501(c)(3) non-profit organization, and a portion of your contribution may be tax deductible.

Below the uniform sizing, you are required to check the box agreeing to the volunteer hours or paying the opt-out fee. You will be given the choice later in the registration process to either pay the fee or select which volunteer assignments you are most interested in helping with.

Review and Select Method of Payment

On the next screen, you will see a recap of the payment option that you selected along with any uniform pieces that you ordered. Uniforms must be paid for before ordering, so they must be paid for along with at least the initial registration fees.

Select your payment method:

Option 1: You may pay by credit card. Your credit card will be charged immediately for the initial payment and then (depending on the number of payments you selected) you will be charged your first installment on July 15th. Click the button and enter your credit card info.

Option 2: You may pay by electronic check. Your checking account will be debited immediately for the initial payment and then (depending on the number of payments you selected), you will be charged your first installment on July 15th. Click the button and enter your checking account info.

Option 3: Pay by Paper Check/Money Order – your initial payment needs to be turned in to your team manager immediately so that you can be properly registered and your uniforms can be ordered. The payment schedule that you selected still applies, and you will be held responsible for ensuring that your payments are made on time each month by the 15th(or on the schedule you selected in the registration process). Click the button if you wish to select this option.
