Fall Soccer Season Starts Off Strong

Opening weekend has come and gone and things are off to a great start for Space Coast United. It is great to see so many kids and families at the parks again.

Seven of our competitive teams participated in the inaugural Hurricane Classic in Merritt Island; our U18 boys team took the tournament title in their age group, but several of our other teams fared very well.

Nearly all of our competitive teams are preparing for upcoming Columbus Day tournaments; good luck to all!

A special thanks go out everyone who helped preparing our fields for opening day. The Club especially appreciates the efforts of our Director of Facilities, Tim Herbner, along with Jimmy Tyler, Doug, Virgil, the Montes Family, and Bill Heiselman.

Very Special Thanks To Tom Szuba SCUSC President 2004-2009

For your leadership, vision and countless hours of dedication to the children, club and the game of soccer to our community. You have touched the lives of thousands of people and you'll be deeply missed for years to come.

ODP Tryouts Gear Up

Fall is just around the corner, and with that comes the start of the first round of tryouts for the US Youth Soccer Olympic Development Program, or ODP.

The US Youth Soccer Olympic Development Program was formed in 1977 to identify a pool of players in each age

group from which a National Team will be selected for international competition; to provide high-level training to benefit and enhance the development of players at all levels; and, through the use of carefully selected and licensed coaches, develop a mechanism for the exchange of ideas and curriculum to improve all levels

of coaching.

Local tryout information is posted to the Florida Youth Soccer Association at fysa.com/odp. Contact our Director of Coaching, John Duguid with any questions about the ODP.

Park Safety

There has been a recent rash of vandalism and theft at our parks. Please try your best to keep your vehicles locked, valuables out of sight, and report

suspicious behavior to the Brevard County Sheriff

Get Involved!

We ask that everyone get involved with the Club. Please step-up to volunteer your time to keep Space Coast United as the best sports organization in Brevard! We need help with field maintenance and repair, field lining, concession, and general cleanup. Contact any Board member to volunteer. Thanks for making a difference!
