

SPACE COAST UNITED SOCCER CLUB

Program Sponsorships

Sponsorship Is A Partnership

What The Space Coast United Soccer Club Provides To Your Business:

Exposure to thousands of Parents, Relatives, Coaches and Community leaders who recognize those who support their family passion... SCUSC Soccer Club!

- ✓ Sponsorship Has Promotional Value
- ✓ Sponsorship Builds An Image Of Community Support
- ✓ Sponsorship Positively Impacts Youth Development

How Your Investment Helps SCU Soccer Club:

1. SCUSC Player Scholarship Foundation

The SCUSC Player Scholarship Foundation helps players whose families find themselves with short-term financial needs. Through your donations, the SCUSC Player Scholarship Foundation is able to help players within our community who might otherwise miss a season of soccer. SCUSC is convinced that this fund allows the club to be experienced by the greatest percentage of families in our community.

2. Keeping Participation Costs Low

Our main goal is to keep the sport affordable for the players. Although the cost per season is competitive with other sports in our region, soccer is a two season sport. This makes soccer more expensive to a family on an annual basis. If a family has more than two players, their cost could be in the hundreds of dollars annually. Our corporate sponsors make an enormous contribution to the youth of our communities by helping us keep soccer an affordable sport.

3. Training and Dues

The SCU Soccer Club belongs to the State sanctioning organization, the Florida Youth Soccer Association and USYSA which are organizations that ultimately ends with the national body, US Soccer Federation. This affiliation gives the Club access to training material, clinics and courses for coaches and players. There are costs incurred for our membership as well as participation. Sometimes these costs include facilities rental for such programs as coaching license classes or registration fees for participants. Clinics are regularly offered and encouraged for all coaches. Training is required for mid to upper level coaches. Various levels of training are available for coaching licenses in order to qualify them for different levels of play. This enables the Club to offer a high standard of instruction to our players.

4. Facilities and Administration

To play soccer, we need playing fields. We are fortunate to have the Viera Regional Park complex, that serves a large part of our needs. Field rental and maintaining these fields is one of our largest expense. Games are played in all weather. Over a period of time, the wear on the fields, including play in wet weather, can require major rehabilitation. In addition, leasing costs for other practice fields. (Although we have enough fields for most of our games, we need to lease other facilities from local communities for practices during the time that Viera Regional Park is closed for maintenance.) We also have insurance, professional and general administrative expenses.

Space Coast United Soccer Club is a 501(c)(3) not for profit organization.

Your donation is tax deductible.
