

Fall 2009 Field Lining Schedule

Combinations to the sheds remain the same; please call your coach or any Board member for the combination. Access the Viera shed via the swinging door on the north side.

Fields can be lined Wednesday, Thursday, or Friday. There are weeks during the season when games will not be scheduled, however the fields still need to be lined that week. If not, we risk losing the lines and field would need to be re-measured (a long and tedious process).

Also, please remember to mark penalty spots, center spot and goal post spots along the end lines.

If you have parents that volunteer please provide their names to Tim Herbener (facilities@spacecoastsoccer.org) and they will be credited with the appropriate credit hours.

Wickham Park

Field 1- Lynn Mills – Season
