

Space Coast United Soccer Club Philanthropic Opportunity

Space Coast United Soccer Club's mission is to provide high-quality soccer instruction to children in our community in a **safe** and fun environment. We are a charitable organization benefiting minors under section 501(c)(3) of the Internal Revenue Code. The Club is dependent upon membership fees, fundraising events, supporter giving, and business sponsorships to fulfill our mission.

The Brevard County Tourist Development Committee, in conjunction with USSSA and Brevard County Parks and Recreation, initiated the complete renovation of Viera Regional Park to an all Astro-Turf™ surface for the 7 playing fields; 5 soccer fields and 2 football/lacrosse fields. The project is expected to be completed in mid-November 2018.

As stated in our mission statement, our aim is to provide a safe environment for our children. With these much-needed upgrades, also came unexpected loss of revenue and expenses, which the club did not anticipate when establishing the budget for the 2018-19 season. Our goal is to raise money to purchase the new equipment necessary to continue our club's mission.

Our current goal is to raise \$75,000 which will help to reestablish our financial aid program, costs associated with covered benches for the players (\$1100-1500/bench), lightning detection system (approximately \$15,000), new goals with wheels (\$5000/each), and other items that will help continue to grow SCU as the premier soccer club in Brevard County.

In sponsoring SCU, your business will be recognized on our website and our social media outlets. Dependent upon your level of sponsorship, you'll have the potential to reach thousands of people on a weekly basis through signage at our fields. Teams come to play on our fields from not only Brevard County, but statewide and even nationwide, based on the event. On an average, SCU hosts 26 games per weekend day. In the near future, SCU will be hosting coaching and referee courses, elite camps, the Florida Cup tournament, as well as other regional tournaments. To put it in perspective, in hosting one tournament, we can have upwards to 100-plus teams in competition. This results in 2000-plus families in attendance, who will potentially patron our local surrounding businesses.

We ask that you please consider supporting SCU in our drive to continue to build a state-of-the-art, safe, and family-friendly club and complex to share with all those who wish to play and enjoy the game of soccer in our community.

For more information please contact fundraising@spacecoastsoccer.org

Thank you for your consideration.
