Accessing the GCF Schedule:

from the Team Account, go to the Events list, find GCFYSL, in the Schedule column click View.

from gcfsoccer.com, click the Schedules link and the correct season

Game Schedules

Blackout Dates. Before the season is scheduled, GCF gives each team the opportunity to request dates when you don't want a game. This is ideal if you know you will be attending a tournament or if your coach will be traveling. Consult with the coach to discuss any dates he or she wants left open. Contact the GCF Rep, Mike McGonagle, to give the Blackout Dates.

Schedule. The season schedule is often not finalized until the week prior to the season opening date. You can find your schedule by going to GCFsoccer.com> Schedules > GCF 2018-2019 Fall Schedule > Select your age and division.

Teamsnap. Enter your games in TeamSnap. Ask your coach how early s/he would like your team to arrive before each game. This may differ for home and away games. The game duration is dependent on your age group. Half time is ten minutes.

9U and 10U	2 - 25 minute halves
11U and 12U	2 - 30 minute halves
13U and 14U	2 - 35 minute halves
15U and 16U	2 - 40 minute halves
17U thru 19U	2 - 45 minute halves

Home uniforms for Space Coast are white jerseys and socks; away is hoops jersey and red socks.

Reschedules. If any game reschedules are necessary and your coach wants you to manage reschedules, ask what dates s/he is available. Then reach out to the opposing coach. From the Team account Events list, click the GCFYSL schedule. Next to the game click Chat. This gives you the information for the opposing coach and manager. Set a date and time that works for both teams. GCF asks that Sunday games be 1 pm or later. Once you have reached an agreement, you must officially forward the request through our club's GCF point-of-contact, Mike McGonagle. mike.mcgonagle@spacecoastsoccer.org He will notify you by email once the game has been officially rescheduled.

There are a number of rules governing rescheduling, and fines that may apply if they are not followed. They ask that you reschedule at least ten days in advance and that you do not no-show a game.

Getting Ready for Game Day

- If you need any roster changes, fill out the [Registrar Roster Request form](#). These are due by Wednesday before the game.
- Print 2 rosters
- If you are the Home team, print a Game Report. Go to the schedule and click the game number to the left. This will download the Game Report for that game. You should keep a supplemental Game Report available in your notebook in case the opposing team fails to have one or if a red card is issued. [That is found here](#).
- Prepare Coach travel funds if needed.

How much is the coach travel pay? Although the club has an official travel reimbursement schedule, coaches are encouraged to request only what they need to cover gas/tolls/meal. Your coach should make a written request via text or email to let you know the amount they are requesting. Keep in mind that since you are spending other people's money, you'll want to keep these written requests along with making a note on the bank withdrawal slip.

Option: Place all these items in your team document pouch to give to the coach at the field (or whatever system you use). A zippered pencil pouch works well. Make sure that your pouch and game cards are labeled with your contact information. After the game, make sure you have the pouch before you leave the field.

Game Day!

What you need for home games:

- Roster—two copies
- GCF Game report printed from schedule or filled by hand
- Player passes

What you need for away games:

- Roster—two copies
- Player passes
- Envelope with coach travel money

Game Checkin. Either you or the coach can approach the referees with the checkin materials. They are given the passes, roster and Game Report.

Post-game reporting. The home team is responsible for recording the final score according to the GCF game report, which is filled out by the referees and returned to you. The report has the website, event ID, and game number that you need to complete your report. These forms must be kept until the season ends in the event of a dispute. If you are the away team and the home team doesn't enter the score, you may do so after 24 hours. (Instructions on next page.)

We suggest as an Away team, you take a photo of the game report in case there are any discrepancies in the reported score.

Field Responsibilities. The best way to avoid any sideline issues is to provide the rules to the parents beforehand. The league and each tournament has their own conduct. [GCF Guidelines](#)

Red Cards. If a red card is issued, a copy of the Match Report and supplemental report must be submitted to gcfbod@gcfsoccer.com within 48 hours.

Concussions. If there is a suspected concussion, please assist the coach with the necessary forms. [Possible Head Injury Notification Form](#).

Reporting the Score

INSTRUCTIONS FOR ENTERING GCF RESULTS *(provided by GCF)*

GCF Fall 2018 Season
EVENT ID: 67920
PIN: 9876

GCFYSL uses Got Soccer as the main game scheduler and score reporting for all games. Because the home team keeps the game reports, it will be the responsibility of the home team's head coach or team manager to post the results of a concluded game. If a result has not been entered within 24 hours, a visiting team official may enter the score.

* Results for all 7v7 games are not posted publicly, but are still required to be entered. Results are used by GCF to manage competitive balance in future season.

GCF requires a match report to be completed for ALL games. These do not need to be submitted to GCF, but should be available upon request. The game card from your teams schedule in Got Soccer or the standard FYSA/GCF Match Reports are both acceptable and should be provided to the match officials at check in. It is a good idea to always have extra copies of the FYSA/GCF Match Report with you in case your opponent does not have one. Also, please make sure that referees are properly filling out information on all cautioned and ejected players on your reports.

If a red card is issued, a copy of the Match Report and supplemental report must be submitted to gcfbod@gcfsoccer.com within 48 hours.
