

Uniform Ordering Instructions

Our uniform coordinator is Jason Halsey, jason.halsey@spacecoastsoccer.org
If you have any questions, contact Jason.

The Process

1. Help players pick jersey numbers by tracking those available. Returning players have the option of keeping their number or choosing a new one. New players choose from those left.
2. Fill out the uniform spreadsheet. Use the [template](#) or make your own

Columns: **First Name** | **Last Name** | **Uniform #** | **Email Address** | **Goalie?**

The soccer.com website will only accept one email address per player, so make sure the parents specify which email address they want to use for the email ordering.

3. Make sure to double check jersey number, email address, and whether or not the player is a goalkeeper (only those designated as keepers will be shown the keeper gear)
4. Change the name of the spreadsheet to your team (ex. "Boys-12U-2007-Red")
5. Email the spreadsheet to Jason at jason.halsey@spacecoastsoccer.org.
6. Jason will load the spreadsheet into the soccer.com website.

24-48 hours later, an email will be sent to the email address provided for each player. In the email, there will be a link that will take them to their page.

The required items will be listed at the top of the webpage, with optional items listed below.

7. Space Coast United *fan gear* can also be ordered at the bottom of the page or by using this link: <https://www.soccer.com/club/5473020?addGear=true>
